## Welcome To Rashtriya Youth Computer Technology

### Dear All Aspirants,

I welcome you for choosing Rashtriya Youth Computer Technology (RYCT) as a medium to upgrade your existing qualification. RYCT is an institute of Regular Learning mode where students can get the opportunity of flexibility and freedom of learning.

The Regular learning courses of RYCT are the same standard and equivalence as the courses of other National/State Level Centre of Computer education.

RYCT develops its own syllabus, study materials taking the help of teachers/experts from various Academic and Vocational institute/organizations.

In the interest of students, RYCT has introduced On-line admission throughout the year (24 × 7) to facilitate regarding registration with this Centre. With this option, the students can get the chance to admit themselves (a) registering with this Centre directly through Online; (b) visiting the nearest study centre and taking their help for Online registration; (c) visiting the nearest Regional Office and taking their help for Online registration.

RYCT offers 39 subjects including 27 languages at institute level and 30 subjects including 27 languages at higher institute level. Students have to appear 7 subjects ( one mother tongue, second English and five other subjects ) in institute level and 5 subjects ( one mother tongue, second English and three other subjects ) in higher institute level ). The students have the option to choose the optional subjects freely.

RYCT conducts examinations in two sessions in one academic year i.e. in April-May and in October-November.

Once again, I welcome you to RYCT with the hope that your learning will be meaningful and rewarding in this institute.
